

# IT FIELD SERVICES

Maintech delivers dependable, on-site technical support through a global direct labor workforce. Whether it's routine maintenance, emergency fixes, or hardware installations, we bring enterprise-grade field service to wherever your operations run.

**Technical Expertise That Scales**

**Organized and Optimized**

**Proven Process, Predictable Results**

**MAINTeCH**

# On-Site Expertise, Global Reach

Tailored support solutions.

## Global Expertise, Local Delivery

Our in-house technicians, deployed across global locations, provide consistent, high-quality service without relying on contractors.

## Fast Response, Every Time

With 100+ Forward Stocking Locations (FSLs) and a strategic UPS partnership, we ensure rapid parts delivery and swift on-site support when it matters most.

## Flexible Service Options

Choose from prepaid time banks, T&M, or monthly contracts, tailored to meet your needs and budget.

## Security at the Core

All technicians undergo strict background checks and security protocols, ensuring safe and reliable on-site service.

## Consistent Global Standards

ITIL-aligned processes and standardized procedures maintain high-quality service across every location worldwide.

## Integrated Support Systems

Our eMaintech platform streamlines field operations, enabling efficient dispatch, seamless communication, and comprehensive service tracking.

## Why Maintech?

Choose Maintech for reliable, fast field service with a global in-house team, rapid response, and a security-first approach tailored to your needs.

Keep your systems and users running at  
their best with Maintech.
